

40 years ago, on May 15th, 1975, Wintario held its first draw. From these early beginnings, today's OLG was born. While a lot has changed since 1975, one thing remains the same - we are ALL FOR HERE.

**40 YEARS LATER,  
WE'RE JUST  
GETTING STARTED.**

In May 1975 the first ever Wintario draw was held at the Ontario Science Centre. It was Ontario's first provincial lottery, born out of a mission to raise money for arts and culture projects all across the province. 40 years later, that commitment to make Ontario better is still at the heart of everything we do. 100% of OLG proceeds are invested in Ontario, each and every year.

From healthcare, to education, to community festivals, OLG proceeds are hard at work all across our province. And this year, we're proud to be a Premier Partner of the TORONTO 2015 Pan Am and Parapan Am Games.

We're Ontario's Lottery & Gaming and we're ALL FOR HERE.

Join us at noon today, May 13th, at Yonge-Dundas Square for some great entertainment and a few special surprises as we celebrate 40 years of helping to build a better Ontario.
